Australasian Key Register
PO Box 40
Collins street West
MELBOURNE V 8007

Dear Sir,

Recently we received a call from your Melbourne office advising us that a set of keys had been found and handed in at a local police station. I was able to locate the owner of the missing keys and they were picked up from the police station a short time later.

Over the past few years we have had a number of keys successfully returned to us, and I feel that Australasian Key Register plays an important role in the security of our stores.

With thanks,

Jan Marris
