To Whom It May Concern,

I would just like to thank you for your assistance in the replacement of our office keys.

Upon reporting our loss to you, you immediately sent out the relevant claim forms for reimbursement on our lost keys and after returning these forms to your company you promptly issued a cheque for the replacement cost of our keys.

We found the service from your company to be polite and efficient and will continue to use your company for the security of our keys in the future.

Yours faithfully,
