Mr Bryan Wheeler, Manager
Australian Key Register (NSW),
P.O.Box 40,
Collins Street West,
Melbourne, VIC, 8007.

Dear Sir,

I recently lost one of my keys which fortunately had attached to it your identification tag. I was therefore delighted to receive a call that the key had been found and later collected it from a nearby Police Station.

The matter was handled very efficiently and I am told that the person who handed the key in will receive a \$20.00 reward.

I am very impressed with your service and have to admit that I had been cynical of its relevance until I lost my key. All too often one scoffs at the importance of insurance etc but in hindsight I can only recommend to others that the service is worthwhile and very inexpensive.

Again, many thanks for your assistance. Whilst I intend continuing to have my keys monitored by your company, I hope that it will not be necessary for you to return any to me in the future.

Yours sincerely,

Les Sher.
