Mr Bryan Wheeler,  
Australian Key Register,  
P.O. Box 40,  
Collins Street P.O.,  
MELBOURNE VIC 3000

Dear Mr Wheeler,

I would like to take this opportunity to thank you for the efficient way your key register has again operated on our behalf. The return of a lost registered system key is always appreciated.

We are well aware of the 'set up' and ongoing costs of operating a registered key system and your service effectively backs up the ongoing viability of it. The cost of a major rekeying exercise triggered by the loss of an important key in a master keyed system highlights the wisdom of enlisting your moderately priced services.

Thank you again.

Yours faithfully,  
DEFIANCE MILLING CO. P/L.

LAURIE BUROW.  
SITE MANAGER.
