**Attention: Bryan Wheeler**

Dear Bryan,

**Re: Your letter dated 4 May 2001**

The one time we have lost a set of keys, I didn't know that we had lost them until we had a call from Australasian Key Register - within 10 to 15 minutes of having lost them!!

There is no doubt that the service is quick, efficient and it works.

Thanks & regards,

 John Hunt
