Australasian Key Register.
P.O. Box Queen Street,
MELBOURNE. VIC. 3000

Attention Mr Bryan Wheeler.

Dear Sir,

It gives me great pleasure to write this letter in appreciation of your service, as I am one of the lucky ones that actually had my keys returned, and only because of the Australasian Key Register tag with the number on it attached to the keys.

I had apparently dropped them somewhere in Caringbah, N.S.W. and a lady, picking them up rang the number on the tag and I was contacted by your company and told to collect them at Sutherland Police station.

My husband went to the Sutherland Police station and a lady constable opened a draw, FULL TO THE BRIM, with lost keys, car alarms etc... there were mine, easily to identify because of the tag. The comment the constable made to my husband was, 'What a good idea, I wish more people had the brains to be a member of the Australasian Key Register, because if they were we wouldn't have this draw full of lost keys'

Again, I am happy with the service and will continue to be a member, and thank you very much.

Regards,

Cathy Dalton
