Dear Mr Wheeler,

Re: Comment on Service

I refer to your letter enquiring about my comments on the service of Australasian Key Register to our club.

I wish to inform any of your future clients that I am very pleased with the service of your company. When I have asked for repairs and maintenance to be carried out, they have been done so in a most professional manner.

For further comments on this matter, do not hesitate to contact the writer on the above phone number.

Yours faithfully,

Delia Ballinger
Secretary Manager.
