Dear Bryan,

I write with regard to the recent assistance your company provided to the school when a set of our keys was reported lost earlier this month.

In this instance, it was vital to us that the keys were located and returned to the school as a matter of urgency.

Fortunately the keys were found by responsible members of the community who contacted your company. This in turn meant that the keys were able to be tracked and as such, returned to the school very quickly.

We are extremely pleased with the service The Commonwealth Key and Property Register provided to the school, by initiating a quick and effective solution to our lost keys problem.

Yours sincerely,

Joe Libreri
Principal
