Dear Mr Wheeler

RE:- Reimbursement of damaged locks on 2nd March 2000

It gives me a great deal of pleasure to congratulate yourself and your company, "Commonwealth Key & Property Register", on the prompt and professional manner in which your staff handled a recent claim, that I myself, forwarded through the register network.

Being the owner of the above business, I myself know that gratitude for a job well done is not always passed on, but when it does reach the management it makes our efforts to please the public seem not in vain.

Once again, I commend your staff and intend to promote the "Key Register" to not only my clients, but also family and friends.

Keep up the good work.

Gary Kite

Manager
